DESCRIPTION

For selected applicants, RISD will provide grants of \$1,000 to undergraduate and graduate students who have secured a summer internship. These grants support students in internships that are unpaid, low-paid, or present significant financial challenges. Financial need and hardship are critical factors in the selection process and awarding of these grants. Please note that this funding is limited.

U.S. citizens and international students traveling outside of the U.S. will have health insurance coverage provided by RISD unless the experience is in their home country.

All recipients must register their internship in ArtWorks by the June 15 deadline and submit a final internship evaluation in ArtWorks by August 22.

Student's financial status will be verified by RISD Student Financial Services. International students will need to complete an International Student Financial Aid Form that will be linked in the application.
- The internship must be unpaid, low-paid, or present significant financial challenges. If there is a pay rate, it should be confirmed in the internship offer letter.
- Applicants must be in good academic and community standing.

- Internships that are arranged for by an internship placement service or through a third-party organization are not eligible. This includes any organization that requires fee-for-service, fee-for-materials, or mandatory donations to the organization.
- Internships can be local, in the U.S., overseas, or in your home country. If your internship is outside your home country, it will be important to demonstrate a strong support system.
