Thanks to generous support from:

The Creative Group (TCG) and Textron Charitable Trust

APPLICATION DEADLINE

Application Due: Tuesday, March 23, 2021, 12:00 NOON

Application opens: January

Awards are announced: Early April

DESCRIPTION

Thanks to the generosity of The Creative Group (TCG) and Textron Charitable Trust, RISD will provide \$3,000 grants to undergraduate students who have secured unique summer internships. These grants support students in internships that are unpaid, low-paid, or present financial challenges. Experiences may be with companies, organizations, artist studios, and galleries among others. Internships in which students actively seek and develop the experience based on their skills and interests, rather than a "standard" internship that already exists in the organization's structure are preferred. Financial need is a factor in the selection process.

- **The Creative Group (TCG):** Internships in graphic design, interactive design, digital marketing, and advertising.
- **Textron Charitable Trust:** Internships that employs creative thinking to solve problems, drive economic development, or address social issues.
