## DESCRIPTION

The Windgate-Lamar Fellowship Award program was established by *the Center for Craft, Creativity & Design (CCCD)* to encourage and advance the development of serious, innovative artists in the United States whose work is in some way related to, or informed by, the processes, materials, traditions, and/or sensibilities of craft. The award is designed to advance the understanding of craft by encouraging and supporting research, scholarship, and professional development. This is one of the largest awards offered nationally to art students.

Each year, the Center invites over 100 Colleges and Universities across the United States to participate in the program. These institutions are invited to nominate two graduating seniors/5<sup>th</sup> year students with exemplary skill in craft to compete in the national award competition. Ten students will be selected by a Windgate-Lamar panel representing curators, artists, and faculty to receive a \$15,000 award. Seventy percent of the grant will be awarded upon execution of the grant agreement and receipt of the Fellow's W9. The final thirty percent of the grant will be awarded upon receipt of the Fellow's final report, including a two page summary of how the grant funds were spent, projects pursued, and ten high-resolution images of work created or projects pursued during the Fellowship.

To view the work of previous Windgate-Lamar Fellows visit: <https://www.centerforcraft.org/grants-and-fellowships/windgate-fellowship#recent-fellows>

*As per the CCCD, this Fellowship is considered income by the IRS and is reported for the year(s) in which you receive funding.*
