

Checklist & Deadlines – Applying in 2020

- **Required Deadline** – Must meet in order to ensure continuation of the application process through RISD
- **Strongly Recommended** - We **STRONGLY** encourage you to submit documents before the deadlines. This will provide you with earlier review meaning more time to re-draft, incorporate feedback, fine-tune, and move on your next draft or the next application component. Keep in mind that when a large number of applicants submit right on the deadline, it can take 3 weeks for you to receive a review and response.
